

User guide

To begin

In order to be able to use the software Win Nanny, it is necessary to register as follows.

- register your software on the Web site www.blue-lizard.net/regsoft.htm in order to receive your key for activation by e-mail. This key will enable you to configure your system for all users.

Addition of user

Press the **Add** button and register the name of the user in the field, then press on

To erase a user

Select, in the drop-down menu, the user whom you wish to erase and press

Administrator

It is possible to have more than one person as administrator for the system.

Eg: Mom & Dad

To finish

Once the configuration of the user is finished, press **OK** to return to Windows.
